Area 1 OHPA Sponsorship Opportunities

50th Anniversary Edition

Area 1 QHPA is a non-profit organization affiliated with the Ontario Quarter Horse Association (OQHA), promoting the American Quarter Horse through horse shows that offer classes to exhibitors that include Youth and Adults of all ages and abilities. Our shows run from May to September and feature a range of halter and performance classes. These events provide a welcoming, family-friendly environment where competitors can grow, connect, and celebrate their passion for the sport.

This year is especially meaningful as Area 1 celebrates its 50th Anniversary. We are proud to mark five decades of community, competition, and dedication to the Quarter Horse industry. Throughout the 2026 show season, we will be recognizing this milestone with special events, commemorative elements, and enhanced promotion of our valued partners.

As a sponsor, you won't just be supporting a show—you'll be part of a legacy celebration. We are committed to highlighting our sponsors in a more elevated and visible way this year, ensuring your business is recognized as a key contributor to this historic season. At Area 1 QHPA, we look to kindly request your financial/individual or business sponsorship this year. To help make our 50th Anniversary season exceptional, we are enhancing sponsor visibility across announcements, social media, printed materials, and special anniversary features.

Gold Level Sponsor – $500 or more (Monetary or Product Donations)

- Business and/or banner to be displayed throughout the show

- Business card or logo displayed on Area 1 website and Facebook page
